From a unique partnership between **Fluor Studio** (<http://www.fluordesign.com/pt/work/designsucks>) and **ESHTE** (<http://www.eshte.pt/>) (Escola Superior de Hotelaria e Turismo do Estoril), in the context of **EXD'13** (<http://www.experimentadesign.pt/2013/en/index.html>) under the theme “**No Borders**”, the Project “**Design Sucks**” was born to reinforce the inexistence of borders or defined territories for design. What do we expect when we see certain colors or shapes in a food product? And if we taste it? Will we feel comfortable or surprised with this combination? This is an invitation to experiment... >>
